

LEAVE A LEGACY

By remembering Sts. Peter & Paul Parish in your Will; by this you leave a legacy in a place you love. Consider a bequest to the Parish Building Fund. This will enhance the Church's mandate to sanctify & teach as we enter into our 2nd 100 years of service. May our Lord reward you in this life and in the next.

Building Fund

We are moving forward with having our own Parish Centre, this massive project will take the efforts of many people to support. If you can please consider giving to the Building Fund, every cent of the Building Fund will go towards this Parish Goal.

A big Thank-You to all parishioners for their support in this effort!

FROM THE PASTOR'S DESK:

An update on our New Parish Centre Project to be built on the west side of the Church: (1450 W 38th and 1449 W 39th and the lane in between these): Virtually, the city has given necessary approval to move ahead. Our challenge now is to finance this. The total construction cost is estimated at 14.5 Million. We have an offer to purchase Cartier Hall for 8.5 Million. This means that we still need to raise 6.5 Million to pay for this project. Our present parish cash flow only covers operating expenses. Extra donations are required; including by contributions to the Parish Building Fund & Project Advance. An overview of the entire New Centre Building (one long one going from 38th to 39th); the 38th side (2 stories) would be the Great Parish Hall (named after Sts. Peter & Paul) with a connecting kitchen (named after St. Andrew the hospitality apostle). Nearby (on the Church side) would be the Conference Hall (named after St. James the Great) towards 39th would be the Adoration Chapel (named after St. John the Beloved). West of these (towards the neighbour: 1459 W 39th) would be the Office Wing (named after St. Matthew the tax collector). Upstairs on the 39th side would be more meeting rooms (named after all the other Apostles). Below all this would be underground parking and elevators throughout. These 12 rooms would be dedicated by the donor as they so pleased. If you might be interested in doing this, please let me know. I can't help but to remember that this Centre was Fr. John Horgan's dream; thus the Chapel of Adoration will be named after his patron. In the meantime, also, our Project Advance campaign for 2023 continues to assist this project, pledge forms for this are next to the bulletin. Our gratitude for your kind consideration in these matters that can bring about the needed growth to our parish life.

Blessings to you and yours!
Fr. Ron Thompson, Pastor

ST. MICHAEL'S PRAYER

Saint Michael the Archangel, defend us in battle . Be our defence against the wickedness and snares of the Devil ; May God rebuke him, we humbly pray; And do thou, O Prince of the Heavenly Host, by the power of God, thrust into hell Satan and all the evil spirits who prowl about the world seeking the ruin of souls. Amen.

Every year the first two Sundays of Lent present the whole gamut of human existence, the whole range of the history of salvation. On the first Sunday of Lent the temptation of Jesus recalls the temptation of every human being since the beginning. On this second Sunday of Lent the transfiguration of Jesus holds out the transformation in glory which is the goal of every human hope. The hope remains as yet unfilled. It is too soon to set up tents. Jesus continues to remind his disciples that first Son of Man must suffer & be put to death. Only then they begin to understand what "to rise from the dead" means. We celebrate Lent caught in the tension between the images of the first & second Sundays, between temptation & transfiguration. Like Abraham, we must walk in faith through the trial, confident that the "sufferings of the present are as nothing compared with the glory to be revealed in us" (Rom 8:18). For "what we shall later be has not yet come to light, but we know that when it comes to light we shall be like him, for we shall see him as he is" (1 John 3:2).

Five Essential Insights of St. John Paul II

2. He gave us a theology of human love.

In his first encyclical, John Paul II wrote that man "remains a being that is incomprehensible for himself, his life is senseless, if love is not revealed to him, if he does not encounter love" (Redemptor Hominis, 10). In the light of the incarnate Word, who reveals the Father's love and bestows the Spirit on us, we begin to understand why: God himself is infinite communion, perfect self-giving, shared joy. Since man is created in the image of this God, he "cannot 'fully find himself except through a sincere gift of self.' This ... is the magnificent paradox of human existence" (John Paul II, Letter to Families, 11; cf. Gaudium et Spes, 24).

As a young priest working with married couples, the future pope learned to "love human love" (cf. Crossing the Threshold of Hope [1994], p. 123). Throughout his pontificate, he boldly developed a theology of human love in many of his teachings. He taught that the human body has a "nuptial meaning." In our sexual difference (i.e., existing only as men or as women who together image God), we can already glimpse the signs of the fundamental human vocation to love.

3. He articulated the "saving mission of the family."

John Paul II's theology of human love reached its culmination in a development of a theology of marriage and the family so rich that it will take generations to fully unfold in the life of the Church. The faithful and fruitful communion of man and woman shows forth in the world the faithful and fruitful communion that is in God. And that is not all. The family has a mission so vital that with it, humanity stands or falls.

Simply by becoming what it is — that is, a "community of life and love" — the family is a "saved and a saving community" at the heart of the Church's mission. "The family," John Paul II wrote, "has the mission to guard, reveal and communicate love, and this is a living reflection of and a real sharing in God's love for humanity and the love of Christ the Lord for the Church his bride.... Family, become what you are!" (Familiaris Consortio, 17; cf. 70).

FATHER EMMERICH RETURNS TO SAINTS PETER AND PAUL

The Role of Mary in Salvation History

Reflections in View of the Message of Fatima

Tuesday through Friday

19 - 22 March 2024

Daily Mass at 8:00 a.m.

Following Mass: Coffee and Crumpets
Conference Follows

Father Emmerich returns to Saints Peter and Paul to reflect on the Role of Mary in Salvation History. In that context he will explore what the message of our Lady of Fatima means for us Catholics today.

He will consider what it means for the individual Catholic to belong to a Church which on earth is called "The Church Militant." Practically speaking how does a Catholic fight against demonic evil?

Fr. Emmerich is a priest of the Holy Name Province of the Dominican Order and is currently assigned to Saint Dominic Priory, San Francisco.

For the past forty-two years he has been involved in giving retreats and seminars to Mother Teresa's Priests and Sisters in Mexico, Poland, Russian, Lithuania, Guatemala, Uruguay, India, Madagascar, Russia, and Portugal.

He is assigned to Western Dominican Preaching, giving retreats and parish missions.

The weapon against evil stressed at every apparition of our Lady to the children of Fatima is the Rosary. How is it that the Rosary is such a powerful force against the demonic evil we see daily in the News, evil that seems to be overtaking our formerly Christian cultures?

The Church, like a nation, must defend herself and her faith. She must fight for the truth and for the salvation of souls. But each member of the Church must possess a fighting spirit that is never severed from the greatest commandment: Love. For God Himself is love, and love never wishes evil upon its enemies.
